## A word from the Executive Officer's Desk...

It's certainly been an interesting few months; we've all had to significantly change the way we live and work in a joint effort to look after each other and prevent the pandemic from taking serious hold in NZ. What has come to light is the friendliness of our neighbourhoods and support of our communities. I had a neighbour I shopped for and in return she baked scones, more people smiled and said hello as my kids and I were out exercising; such stories are across the region. Age Concern Taranaki staff were amazing, continuing to work from their homes and keep in touch with you all. They made over 1400 connections to our members, clients, older people and their families. Some phone calls were a few minutes long and some were three quarters of an hour, as people were happy to chat with a friendly person from Age Concern Taranaki. Staff delivered our range of frozen meals to several people and assisted one or two with supermarket shopping. Our Social Worker continued to be available for Elder Abuse Support, our volunteer visitors took to the phone as SAYGo falls prevention class volunteers. As soon as we could, we opened up the doors at Age Concern Taranaki's Hall at 33 Liardet Street and welcomed people back in. The first couple of weeks, numbers were restricted and distancing in place; Pauline and I were so happy to have you back here. This is your place as much as ours, and know you are so welcome.

The Board and I are impressed with the efforts of our team, the way they overcame challenges and supported each other and our people. We have acknowledged their efforts with a gift basket put together by New World Merrilands.

Wishing you a safe and healthy winter.

Executive Officer

## Lean on Me

The words of this popular song come to mind when thinking about you all and our Driving Miss Daisy community at the moment.

Lean on me when you're not strong  
I'll be your friend  
I'll help you carry on  
For it won't be long

As an essential service we have been at the frontline with the most vulnerable people during these extraordinary times. To be acknowledged and trusted by the Government has enabled us to continue supporting our elderly clients utilising our gold standard health and safety procedures.

Your Daisy can help you live independently by doing those essential errands for you while you remain safe in your bubble. We are able to do your grocery shopping, collecting and delivering prescriptions and get you to your medical appointments and safely back into your bubble. We can make this time more bearable by picking up a magazine, or a fresh bunch of flowers. We have received heart-warming thanks and appreciation for helping you in this time of need.

Whilst the future is unknown, we do know that the current situation will not be forever. If the lockdown has been getting you down, we can get you out and about in our Driving Miss Daisy car bubble. Nature is putting on a beautiful autumnal display at the moment, enjoy it at its best with a trip to your local park or the beach with us, we could even pick up a coffee on the way.

Going forward the core Driving Miss Daisy commitment is to empower you, giving you the freedom to live independently by offering a companion driving service that is trusted and affordable. Safe as well, we follow Ministry of Health hygienic and social distancing guidelines.

Don't forget a Daisy Experience gift voucher is an ideal treat for you or for a friend.

We have always been there for you and we will continue to be by your side in the community especially during this period, post COVID-19. Stay safe, be kind, let's support each other.

**Age Concern Taranaki (Inc) thanks the following organisations for their support and sponsorship**

Along with the rest of the country, it has been a very strange few months for the Accredited Visiting Service (AVS). I was notified by our national co-ordinator that our volunteer visitors should cease face-to-face visiting on the 17th March, a week or so prior to the start of 'lockdown' for everyone else. We were particularly concerned about the Covid-19 outbreak, as the majority of our visiting service clients, and many of our visitors, are in the group deemed by the Ministry of Health to be most at risk.

As the cessation of face-to-face visiting, along with a suspension of various types of home help, would mean a lot of people would see absolutely no one over lockdown, we started calling on a regular basis to check in and make sure everything was going ok. I did a count up recently, and over the lockdown our AVS visitors, plus Taran & I, made over 200 calls checking up on our clients and visitors. Some of these calls were just a brief chat to check in, whilst others were much longer. It was great to have the opportunity and time to spend chatting, which we don't usually have in our busy 'normal' working day. Also, because we had more time to chat, we were then able to find out when there were problems and assist as necessary. We made a number of referrals to other agencies during lockdown, including to Civil Defence and the needs assessment team at the hospital.

Everyone coped wonderfully well during the lockdown, but towards the end we were all a bit impatient to get back out in the world again, but also a bit hesitant about what it would be like to be socialising again. We are receiving referrals for quite a number of new people who will benefit from having a visitor, so if you think you could help us out, please get in touch so we can start the process.

Finally, remember to wash your hands, and be kind.

# Events Calendar AgeConnect Taranaki

We are excited to launch an Events Calendar informing older people, their Whānau and friends of options for getting together across the region. Community groups can submit events from the Events Calendar page <https://ageconcerntaranaki.org.nz/events/>

An Age Concern Taranaki staff member can upload to the calendar, please note, submit your event early as it could take a couple of days to be uploaded. Reoccurring events or sessions can also be uploaded, so be sure to let us know if it is one off or a weekly or monthly program.

We invite and encourage every organisation to submit their events on this events calendar, creating a platform for people to know what is available in Taranaki, promote socialising, enable people to become connected within their community; providing a sense of value and reducing loneliness.

# New World Merrilands Community Support

It is always pleasing to collaborate with a community minded business such as New World Merrilands, a local supermarket that has always been proactive in supporting our older community.

Appreciating the need is greater during Covid-19 lockdown, Hooi and his team created a list of older shoppers; Age Concern Taranaki phoned the shoppers and offered to take

orders over the phone and deliver the groceries that would be packed by New World Merrilands, enabling them to stay home and keep safe.

New World Merrilands then topped this off with donating 20 'Goodie Bags' to be distributed among ACT's clients. The reactions of the recipients was varied, including being delighted, surprised, overwhelmed but most of all greatly appreciative of the generosity of New World Merrilands.

Thank you so much Hooi and the New World Merrilands team for keeping an eye out for our older people.

**Age Concern Taranaki are now hosting their very popular Warm Up Wednesday Singalong and Social Occasion at the new and exciting premises at 33 Liardet Street New Plymouth.**

The same enjoyable programme will continue on the second and fourth Wednesday of the month at the same time as it was previously held in Moturoa.

I am looking forward to reconnecting with you all and having some fun with some cool new songs up my sleeve.

### Snippets from My Neck of the Woods

During the Covid-19 lockdown walking in my neighborhood I observed the behaviors of others. This pursuit added to the pleasure of my daily walks, with my dog.

The same direction and speed others walked, their exercise attire. Those who took pleasure in tending their gardens and house maintenance. The bears and Easter eggs in the windows. Those who acknowledged me and those who did not. My hope that they were ok?

However, my greatest delight was stopping to read small, plastic, bound bags with 'Observational Writings' inside, pinned to the fences on my route.

Upon reading one of these notes, a chuckle and a smile ensued, as I continued on my merry way. I appreciated these small bags of pleasure on a number of levels. Firstly, the obvious, they made me smile but also I wondered about the person penning them and fixing them to the fences. Male or

female, young or old? Most of all I wanted to thank them for their sense of fun and the effort of their endeavors.

Email me your lockdown experiences both positive and negative of daily life in your neighbourhood. [marguerite@ageconcerntaranaki.org.nz](mailto:marguerite@ageconcerntaranaki.org.nz)

In these uncertain times I wanted to remind you that I am available to help when you need it.

The work of an electorate MP is divided into four categories.

**1 Assistance:** Helping people in dealings with government departments such as Work & Income, Inland Revenue and Kāinga Ora (Housing New Zealand). Assisting with immigration, ACC, education and health issues.

- 2 Representation:** Taking the views of the local community to Parliament and ensuring politicians understand the impact of law on the communities of the New Plymouth electorate.
- 3 Advocacy:** Speaking to Ministers and Government Departments on your behalf. Encouraging and developing local causes, supporting schools and health facilities and advocating for local and regional infrastructure projects.
- 4 Support:** A happier part of the job involves acknowledging people achieving success or celebrating milestones like significant wedding anniversaries. Attending school prizegivings and visiting a myriad of community organisations and sports events; essentially being accessible to our community in as many ways as possible.

### Do you feel that you spend too much time on your own? Maybe you know someone else who doesn't have many visitors?

The Accredited Visiting Service (AVS) has caring volunteers who are keen to spend time with an older person in the community.

Our volunteers have all been reference and police checked, and are available to spend about an hour each week in the home of an older person. This time is spent chatting, perhaps having a cup of tea, and generally providing company to someone who otherwise may not see anyone else from one week to the next.

If you would like to discuss the service, either for yourself or someone you know, please get in touch with me as I have volunteers ready to start visiting now.

ELDER ABUSE RESPONSE SERVICE

Kia Ora readers!

Welcome to Age Concern Taranaki’s elder abuse response section of this newsletter.

Winter is a very important time of the year for Elder Abuse as we head into Elder Abuse Awareness week! This is held from the **15th-22nd of June** every year. I’d like to reiterate the most important day of the elder abuse awareness week being ‘World **Elder Abuse Awareness Day**’ held globally on the **15th of June**. For those of you Techno Savvy readers out there, you can search the hashtag **#WEAAD** on social media to see a variety of local and national events happening around NZ.

Locally, we will be holding two events. The first at our new Age Concern Taranaki office, 33 Liardet Street, New Plymouth, on Monday 15th June at 10:00am. I’ll be teaming up with our fantastic Community Worker Pauline Julian to deliver a jam packed morning full of important information, relevant statistics, quizzes & spot prizes. The second at our Hawera Coffee Morning, on Thursday 18th June, at 10:30 am at the St Johns Church Hall, 35 Argyle Street, Hawera facilitated by our AgeConnect Service Coordinator, Taran Gill.

This year, the theme is ‘**Elder Abuse Hit’s close to home.**’ This essentially highlights how this issue is often hidden behind closed doors. Elder abuse doesn’t discriminate. It affects those from all backgrounds, religions & socio-economic statuses

The purple ribbon is an iconic symbol of Elder Abuse (EA) Awareness. I urge that anyone who wants to show their support for such an important issue dress in as much

purple as possible on 15th of June! We may even see the clock towers around Taranaki be lit up Purple during **EA week (15-22nd)**. So, dress in as much purple as you can, pop on your purple ribbon & head on down to Age Concern Taranaki on **Monday 15th of June @ 10am** to show your support. I’ll be talking to the types of abuse seen in the Taranaki area and how we can all help those who may need it and work towards preventing elder abuse and neglect from happening in our communities.

Throughout the rest of the week, Age Concern Taranaki will be teaming up with Taranaki Safer Families Trust to hit the Streets in New Plymouth and discuss this issue with the public to test their knowledge, offer purple ribbons and raise awareness for Family Violence as a whole.

I believe the main point to take away from this quarters Elder Abuse article is to simply talk about the issue. The more it’s talked about and normalised, the more those affected by it are likely to discuss the abuse with someone else who can offer support. Remember, there are several different types of abuse that an older person can be subjected to. I have dedicated this space to write up about these types of abuse in the past. These include, **Psychological, Financial, physical, neglect, self-neglect, sexual** abuse and abusing the use of **Enduring Power of Attorney**.

THANK YOU ALL for your time reading up on such an important topic. Learning about the issue and raising awareness in the community is a great way to prevent further abuse and neglect.

If you would like to discuss anything further, please call Age Concern Taranaki to book an appointment on 06 759 9196 or email me at [sinead@ageconcerntaranaki.org.nz](mailto:sinead@ageconcerntaranaki.org.nz)

I am thoroughly enjoying the new office space which enables clients to visit me in the office in private. I do continue to visit people and towns throughout Taranaki.

Cheers!

## QuinLaw - Barristers & Solicitors

### QuinLaw v Lockdown

Well, we are still in the stages of Lockdown, albeit improved and soon to be out. We were fortunate in that we had prepared for Bird Flu and hence we had moved our legal software into the cloud ten years ago and the Hand Sanitizer that was on all desks and tables was still working although ten years old.

Like other organisations we worked from home with mixed results across our fourteen employees. Two staff members are living in different parts of the greater city had their power off on different days, Maria had just shifted house and Fibre was not installed immediately. The beautiful weather was also a diversion for some. Some of us were hanging out for takeaways and Sushi.

We have learnt that we can manage at home although not always that successfully and that's got more to do with personality and style of working, than with difficulties at home per se. Our software provider Actionstep really showed it's worth as all of us were able to access documents at home by 'Tapping into the Cloud'.

We have been able to buy and sell properties even under Lockdown. This is because Title changes now

occur via the online platform at Land Information. Banking no longer requires us to attend at the bank with a cheque to pay back the mortgage. We do all of that by internet, email and or fax.

I was shopping and cooking for four adults. I found the men in my life were the fussiest, one did not like rice, the other wanted green vegetables, one hated frozen vege, one loved rice risotto, the one who never complained at all was my 91 year old mother. Leftovers disappeared very fast from the fridge.

We are available on Alert Levels 3,2 & 1 and are all now back in the office. Please do not hesitate to contact us by phone, email or come and see us by appointment.
